

## WE ARE DODGERS

### DES NEWS - FROM MRS. ZIZIS

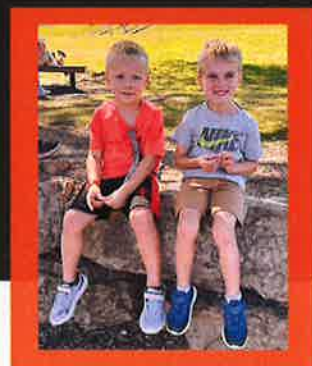

Happy first month of school everyone! It's so wonderful to have students back in the building! The first couple weeks of school have gone really well. We've been working hard at teaching expectations throughout the building and on the playground.

Students in kindergarten through 4th grade have also started their fall benchmark assessments. We will be utilizing this data to guide our instruction and provide support for students. Thanks to everyone for a great transition into the 2024-2025 school year!

### DES BEHAVIOR SYSTEM

DES has started implementation of a school-wide behavior system that has three major components: school-wide expectations, positive behavior reinforcement, and a violation system.

Please join us in promoting the expectations of being kind, safe, and responsible. Your student may mention they earned a "Star Card," which means they were recognized for being kind, safe, and/or responsible. Star Cards earned by students will go toward their whole class earning a fun reward, such as a pajama day, or class party.

### Attendance Reminders

Under school policy every 5 tardies is equivalent to one day of unexcused absence. Habitual truancy is defined as a student who is absent from school without an acceptable excuse, as determined by the school board, for part or all of five school days during a semester or 10 days per school year (Wisconsin State Law Section 118.15(1) (a) and (am)). Letters & attendance meetings will be required for those families with attendance issues.

Dear Families,

The ELP classes will soon begin three fun-filled weeks learning about colors! To make this time special we would like to have everyone dress in clothing that includes the "color of the day" (as listed below). Mark your calendars for an adventure in colors!

Thank you!

The ELP Teachers
