# DODGER DIG

## Message from Principal, Ryan Bohnsack

January 2023

As we return from the recent break and we begin the start of the 2023 year, I want to remind everyone that we are also coming to the end of the first semester and term 2 classes. January 19th will be the last day of class with a day off on January 20th and second semester, term 3 courses beginning on January 23rd. One of the benefits of the block schedule is that many students will get new courses and a fresh start in their classes. Take this time to emphasize the importance of being actively involved in the learning and activities in each course. We will continue the academic support after school on Tuesday and Thursday as well as on Saturday morning.

In the upcoming months we will begin the scheduling process for the 23-24 school year. Encourage students to start thinking now about the courses they would like to take next year or before they graduate. Ask your student to see their "Course Planner in XELLO". We will use the courses that students have selected to build the courses students will be able to take next year. The other important concept in creating the course planner is that it forces thinking about future plans and whether students are advancing their skills through joining the military, career training, technical school, or university level. Planning ahead will create the highest probability for future growth and opportunity.

Keep up the great work from 2022, be involved and make it a great year to be a Dodger!

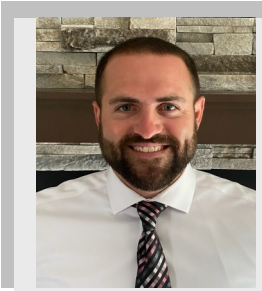

## National Honor Society Toy Drive

NHS was able to donate a trunk load of toys to the SWCAP pantry over winter break. Thank you to all who donated to the December Toy Drive .

## From Mr Martin, AD/Dean of Students

Let's Go!!!! It's time for the new year, the end of term 2, and the second half of the school year. Let's all make the best of it. There are a TON of things to get involved with especially right away here in January. Each year, this is a good reset time to think about your personal health as well - take some time to better yourselves in any which way you can. If you need some help with anything, please never hesitate to stop by the main office and come see me. I'm really looking forward to the 2nd half of the year with each and every one of you!

## Trap Team update - Holiday Edition

### Spring packet/schedule

[Attached](#) is the spring packet that contains the schedule and lots of other info. New to the packet is a form that I need you to fill out if you are requesting reduced costs/sponsorship. Having this form filled out allows me to communicate with the school on the best way to handle your request. The other new item is a sheet that lists potential conflicts other sports may have with the trap state tournament. I hope this info helps you this spring when deciding to attend the tournament or not. Remember that you can do trap and another sport!

### Registration

The registration period is February 1-March 20. I will use the email list to reach out when the period opens.

### Shells

We received word that we will be receiving shells from Federal this spring. While I don't have them yet, we have paid for them and they will ship sometime before March. Cost is slightly lower this spring, and will be \$9.00 per box or \$90 per case of 10 boxes. You will need 26 boxes if you shoot every week on the schedule, including the state tournament.

### State Tournament

June 10<sup>th</sup> or June 11<sup>th</sup> are the state tournament dates. We almost certainly will be shooting on Sunday, the 11<sup>th</sup> though its not in stone yet. We will be having a state practice at Nekoosa again this year, with bus transportation provided.

### Hunters safety

March 26, 2023 is our next hunters safety. Contact Dave Blume if you are needing to register for the class. His contact info is in the Spring Packet.

***Snowball Dance  
Saturday, Feb 18th  
7-11pm  
more details to come!!***

## Dodgeville FFA members receive National FFA SAE Grants

A \$1,000 dairy entrepreneurship SAE grant has been awarded to Emma Giddings of the Dodgeville FFA Chapter by Cultura Technologies. Emma plans to purchase another registered Holstein heifer calf. This will double Emma's current SAE project and provide a base for her dairy herd.

A \$1,000 dairy entrepreneurship SAE grant has been awarded to Faith Pearson of the Dodgeville FFA Chapter by Phibro Animal Health. Faith plans to purchase a registered Brown Swiss heifer calf. This will provide a base for her dairy herd as she works with Dunndale Swiss Farms to learn more about the dairy industry.

"It's phenomenal how members react to the news, they are receiving an SAE Grant," said Jamie Rupp, Dodgeville FFA Advisor. SAE programs apply and engrain the concepts learned in the agricultural education classroom and the life and career skills developed through FFA membership to individual experiential learning projects. Programs are classified as placement or entrepreneurship and span a broad range of agricultural careers and businesses.

SAE grants are designed to help FFA members create or expand Supervised Agricultural Experience (SAE) projects, a requirement that all FFA members must complete. An SAE requires FFA members to develop and operate an agriculture-related business, work at an agriculture-related business or conduct agricultural research experience. Upon completion, FFA members must submit a comprehensive report regarding their career development experience.

This year thirty different sponsors funded National FFA SAE Grants. A full list of sponsors can be found on the National FFA Organization website on the SAE Grants webpage. If you are interested in sponsoring a Dodgeville FFA member with a local SAE Grant contact the Dodgeville FFA Advisor Jamie Rupp at [jrupp@draschools.org](mailto:jrupp@draschools.org) to get more information.

To compete for funding, students completed an online application that explained their SAE program to date, how much funding they were requesting, the anticipated use of the funds, future goals for their SAE program, and other FFA and school-related activities. Emma Giddings and Faith Pearson are members of the Dodgeville FFA Chapter. Their application was selected from among 1,296 applications nationwide.

The National FFA Organization is a school-based national youth leadership development organization of more than 850,000 student members as part of 8,995 local FFA chapters in all 50 states, Puerto Rico, and the U.S. Virgin Islands.

The FFA's mission is to make a positive difference in the lives of students by developing their potential for premier leadership, personal growth, and career success through agricultural education.

The National FFA Foundation builds partnerships with industry, education, government, other foundations, and individuals to secure financial resources that recognize FFA member achievements, develop student leaders and support the future of agricultural education. A separately registered nonprofit organization, the foundation is governed by a board of trustees that includes the national FFA president, educators, business leaders, and individual donors.

# Key Club & Builders Club Sock Drive

Deck the Toes could be heard at Dodgeville High School and Dodgeville Middle School during the week of December 5-13. Key Club and Builders Club engaged in a friendly competition to see which building could collect the most socks during this week. The game was on! Posters were created and many positive requests went out to all students. As an additional incentive, it was agreed that the 2nd place school would go to the winning school and sing holiday songs for the student body. At the end of the week, Builders Club was victorious, collecting 598 pairs of socks compared to Key Club's 347 pairs. On Friday, Dec 16, officers of both clubs delivered 945 pairs of socks to Family Advocates of Iowa County. The agency was very grateful and impressed with the students' efforts. To fulfill the wager, DHS Key Clubbers went to DMS on Tuesday, Dec 20, and sang classical holiday songs such as Rudolph the Red Nosed Reindeer, Frosty the Snowman, and Jingle Bells. All in all, everyone was a winner at the end of this project.

Next Blood Drive at DHS will be:  
**Wednesday, March 1st!!**

**DONATE TODAY!**

**DHS**  
*Dodgers*  
**Facts & Stats**

**YOU ARE THE UNIVERSAL DONOR!**

BLOOD IS COMPOSED OF: RED CELLS, PLASMA AND PLATELETS.

PLATELETS ARE ESPECIALLY NEEDED BY CANCER PATIENTS.

**EVERY 2 SECONDS SOMEONE IN THE U.S. NEEDS BLOOD**

**1 in 7** HOSPITAL PATIENTS NEEDS BLOOD.

**LESS THAN 5%** OF THE POPULATION THAT'S ELIGIBLE TO DONATE ACTUALLY DOES SO

**MAKE A DIFFERENCE IN SOMEONE'S LIFE**
