DODGER DIG

Message from Principal, Ryan Bohnsack

We are all excited to have the students back in school beginning on September 1 (Freshmen and New Students only) and September 2 (All students). We have a lot of things to celebrate in our student organizations from over the summer as well as an excited kickoff to the fall seasons this year. If you haven't updated your schedule since we made changes, please get that scheduled.

September 2022

Looking forward to our year together and celebrating

the many accomplishments our students achieve. Lean into uncomfortable situations as you continue to challenge your own and other's perspectives. Check out the rest of the Dig and Student Resource Guide for valuable information.

Updates for the 22-23 school year

- DHS Starts at 7:55 a.m. and Ends at 3:23 p.m. Monday Friday. (No more Wednesday early release.)
- District now has the 2nd Monday of each Month OFF for PD.
- All students are to enter through the main entrance in the south parking lot in the morning. Doors on the west side of the building by the library will be locked.
- All vehicles leaving the parking lot should turn left after school to avoid the congestion at the intersection near the water tower.
- Backpacks will not be allowed into the instructional spaces of A, B, C, and D wings. An extra minute was added to the passing time so students can utilize the locker spaces.
- Cell phones will not be allowed to be used by students during instructional time. Staff will be directing students to leave the phone in their locker or turn into an assigned phone storage area in each classroom.
- Parent/Teacher Conferences will also look different this year. Don't wait, if you have any questions, email or call early and often. 608 935 3307 option 4 for the High School.

Key Club to Host 1st Blood Drive of the Year

Our first blood drive of the school year is Wednesday, Sep 14 from 11-4, in the DHS Library. Students need teacher permission to volunteer or donate blood during school hours. Students contact Ms Kulcinski for the forms needed to volunteer or donate. All others wishing to donate please sign up through this link:

Key Club hosted its summer blood drive on Wednesday, July 20. A total of 39 units were collected and a lot of fun was had by all! Thank you to the Key Clubbers who volunteered at the drive - a total of 44 service hours were logged! A special shout out to our Dodgeville Culver's for donating the popular "Give a Pint - Get a Pint" custard coupons! What a wonderful community we live in!

FCCLA Congratulations!

Please join us in congratulating Nik Swiggum and Lexi Allen Price who competed at the National FCCLA Leadership Conference in San Diego, CA back in July.

FFA was busy over the summer!

Our FFA officers had a great time at the Wisconsin State FFA Convention and our chapter even earned the FFA P.R.I.D.E Award for having a membership increase of over 10!

These beautiful flowers were donated by our Dodgeville FFA for the Dodgeville Town Square!

WI student leaders stand against hate in their communities.

Students are headed back to school, undoubtedly with a lot on their minds about safety. They may also be weighing the realities of bullying or experiencing violence because of their identities.

Across the state, high school students are forming clubs to combat hate and make sure all students feel welcome and safe at school. *Lake Effect's* Mallory Cheng spoke with a couple of Wisconsin students about their efforts.

Corley Jewell is a student ambassador with <u>We Are Many-United Against Hate</u> at Dodgeville High School. Jordan Toso helps run the Diverse Culture Alliance at Holmen High School. The two value starting a dialogue around prejudice and spreading awareness of social issues.

"Two summers ago, I think, we actually got the opportunity to be invited to look over our school district's bullying policy and our learner goals too," says Toso. "So we're really trying to change the policies and administration has just been like... 'Yeah, we'll listen to you what would you like?"

The students of Holmen High School hope their advocacy does not stop at student guidance but goes further to help teachers respond to these conversations and strengthen their stances against bullying.

"We are going to bring in a speaker to talk to our teachers and I think that's where we have really looked at our efforts to be as we need to educate the teachers. And then hopefully, that will trickle down to educating students," says Toso.

Other efforts include members of We are Many-United Against Hate at Dodgeville High School going to their elementary school to read books on inclusivity to younger students.

"The big thing is just knowing those small towns like Dodgeville, and I know Deerfield and Baraboo have

clubs like these, and that the change starts in small areas like that, and it can grow to be huge," says Jewell.

Key Club Helps with Kiwanis Chicken BBQ

On Thursday, August 18th, 20 Key Clubbers helped at the Kiwanis Chicken BBQ. These students helped individually bag cookies and buns, shuck over 1200 ears of corn, and assisted with packaging meals and the drive thru lane. They logged a collective 60 hours and had fun every step of the way.

From Mr Martin, AD/Dean of Students

WELCOME BACK everyone! I truly hope that all of you had a great summer. I also want to welcome you to the 2022-2023 school year. This will be my 9th year in education and I am more energized and excited to kick things off with all of you. Please, if you ever need anything, don't be afraid to ask me or just simply stop by my office so that I can help you - I am happy to help. I cannot wait to see where you take things this school year. Best of luck to all of you.

Sincerely, Mr. Martin
